

ROOTED IN GOODNESS™

We believe that food is at the heart of vibrant health for our bodies and our planet. Our Regenerative Organic Certified™ Coconut Sugars and Organic Coco Aminos Seasoning Sauces and Marinades are organic, ethically sourced and offer healthier alternatives to the norms.

Harvested by hand on the islands of Indonesia by our collective of organic farmers, Nira, the coconut blossom nectar, is the magic inside all Big Tree Farms products. By using Regenerative Farming and Fair Trade practices, we build soil nutrition, conserve water, and ensure a better life for our farmers and their communities.

**Good for your family, the farmer and the environment,
that's the power of Nira.**

ROOTED IN GOODNESS™

Cooking Essentials, Elevated

**Organic Coconut Sugars and Coco Aminos
made with the magic of the Coconut Blossom**

Creating good-for-you products that supports a better-for-us world!

ORGANIC COCO AMINOS: SOY-FREE & GLUTEN-FREE

ORGANIC ORIGINAL COCO AMINOS

Warmly umami with a touch of salt and sweet, coco aminos add pure savor to snacks and mains. Dash, dip, and dig in.

ORGANIC SOY-FREE TERIYAKI MARINADE

Our Teriyaki Marinade, crafted with Coco Aminos, is your secret sauce to elevate meals from so-so to TERI-iffic. Crafted with sweet raisin juice, soulful sesame, and a kick of ginger, this marinade is to be enjoyed straight from the bottle. Ready. Set. Pour.

ORGANIC GINGERY LIME

Tangy lime and spicy ginger are a match made for stir fry, but this brisk burst of flavor adds an instant kick.

ORGANIC TANGY BBQ

With hints of chipotle and tamarind, our Tangy BBQ Coco Aminos give a slightly smoky, perfectly peppery zest to everything grilled. Boost your barbecue, rev your roast, and let the chef be complimented.

ORGANIC CLASSIC SRIRACHA

Turn up the heat with Sriracha Coco Aminos. A delicious blend of our savory coco aminos followed with a kicking ensemble of spiciness that will leave you wanting more.

ORGANIC SOY-FREE PONZU MARINADE

Citrusy tang with the right amount of sweet and heat, use as a marinade for seafood, meats, and veggies, or simply as a delicious dipping sauce.

ORGANIC ORIGINAL LITE

Our Reduced Sodium Organic Coco Aminos has all the warm, bold umami flavor notes and with 34% less sodium and 50% fewer calories than our Original Coco Aminos. Enjoy in place of traditional soy sauce for a truly better-for-you seasoning sauce that's brewed in small batches from Nira, the nectar of the coconut flower, and is always gluten free, soy free and refined sugar free.

ORGANIC COCONUT SUGARS: LOW GLYCEMIC & 1:1 REPLACEMENT TO CANE SUGARS

REGENERATIVE ORGANIC BROWN COCONUT SUGAR

Round and rich with hints of warm caramel, this unrefined and low-glycemic sugar makes for a healthy swap in place of brown cane sugar.

REGENERATIVE ORGANIC GOLDEN COCONUT SUGAR

Light and clean on the palate – the Golden Coconut Sugar is a better-for-you 1:1 upgrade to refined sugar. Delicious, low-glycemic, and climate friendly, Golden is the climate friendly way to choose a sweeter future for us all.

ORGANIC VANILLA COCONUT SUGAR

Rich and aromatic, with a velvety touch of pure vanilla bean, our Organic Vanilla Coconut Sugar gently deepens the savor of baked treats and adds sweetness to coffee and tea!
